

FemiMED Pro® & iMED®

MPT (Medical Pulsed Technology)

FemiMED Pro®

Injection molding handpiece with ergonomic design create the best user experience

Universal filters achieve most broad treatments

iMED®

Emergency Switch

8.4' True Color Screen

Handpiece Plug

Technical Specifications

Model Name	FemiMED Pro®	iMED®
Power	3000W	2000W
Energy Density (Fluence)	10~60J/cm² (Continuously adjustable)	
Spot Size	• 16x50mm² (SHR) • 16*30mm² (IPL)	• 16x50mm² (SHR) • 16*30mm² (SSR)
Wavelength (Spectrum)	• 690-950nm(SHR) • 585-950nm (SSR) • 415/585/645-1200nm (IPL)	• 690-950nm(SHR) • 585-950nm (SSR)
Pulse Repetition Rate	1-10Hz	
Pulse Duration	15ms	
Cooling	• Continuous Sapphire contact cooling (-5℃~-11/-8℃) • Air cooling • Closed water circulation cooling	
Stand-by Working	Continuously for 20 hours	Continuously for 15 hours
Display	10.4" True Color LCD Touch Screen	8.4" True Color LCD Touch Screen
